PUBLIC POWER CORPORATION SOCIETE ANONYME

ANNOUNCEMENT OF AVAILABILITY OF THE DOCUMENT UNDER ANNEX IX TO REGULATION (EU) 2017/1129 (the "Document" and the "Regulation", respectively)

The Document was prepared pursuant to Articles 1.4.(db) and 1.5.(ba) and in accordance with the requirements of Annex IX to the Regulation for the purpose of (a) the public offering, with the abolition of the pre-emptive rights of existing shareholders, in Greece of up to 369,270,000 new, ordinary, registered voting shares with a nominal value of €2.48 each, to be issued by "Public Power Corporation Société Anonyme" ("**PPC**" or the "**Company**") and (b) the admission of the New Shares (as defined below) to trading on the Main Market of the Regulated Market of Euronext Athens ("**Euronext Athens**" and the "**Admission**", respectively).

Specifically, based on its resolution dated 16.05.2026, the Board of Directors of the Company, pursuant to the authorization granted to it by the decision dated 14.05.2026 of the Extraordinary General Meeting of the shareholders of the Company (the "**Shareholders**" and the "**EGM**", respectively), approved, among other things, the increase of the Company's share capital by an amount of up to €915,789,600, with a view to raising approximately 4 billion euros through the issuance of up to 369,270,000 new ordinary, dematerialized, registered voting shares with a nominal value of €2.48 each (the "**New Shares**"), at a maximum offer price of €19.75 per New Share (the "**Maximum Offer Price**"), being the closing market price of 15.05.2026, with abolition of the pre-emptive rights of the Company's existing shareholders, in accordance with Article 27 para. 1 of Law 4548/2018 and the above decision of the EGM and with the possibility of partial subscription pursuant to Article 28 of Law 4548/2018 (the "**Share Capital Increase**").

The final number of New Shares will be equal to the quotient of the total amount ultimately raised through the Share Capital Increase divided by the Offer Price, and the final nominal amount of the Share Capital Increase will be equal to the product of the final number of New Shares multiplied by their nominal value (i.e., €2.48 per New Share). In addition, it was decided that the New Shares would be offered through (i) a public offering in Greece to retail investors and qualified investors (the "**Greek Public Offering**"), with a priority allocation right for New Shares to existing Shareholders as at the commencement of trading of the existing Shares on Euronext Athens on

18.05.2026, based on the Company's electronic shareholders' record kept with Euronext Securities Athens S.A. (for this purpose, the "**Record Date**"), at a percentage not exceeding their percentage of participation in the Company's share capital as at the Record Date, so as to maintain their shareholding participation up to their existing level of participation following the Share Capital Increase, provided that they participate in the Greek Public Offering (the "**Priority Allocation Right**") and (ii) a private placement outside Greece, in each case subject to the available exemptions from the applicable requirements for the preparation of a prospectus (the "**Institutional Offering**" and, together with the Greek Public Offering, the "**Combined Offering**").
