General Notes

- This price list covers the most common transactions, while preferential pricing applies to specific transactions and client categories with specific characteristics, which are defined at the Preferential Price List. In case of transactions not covered by this document, please contact our representatives at your local branch.
- This price list is subject to periodic revision/modification.
- The terms of the transactions and services covered by this Price List are governed by the applicable legislative and regulatory framework as well as the Bank's applicable General Banking Terms.
- Transactions involving currency conversion, up to the equivalent of ten thousand Euros (€10,000) are carried out at the current "Foreign Currency Exchange Rates", while for larger amounts a special price is received from the Treasury and Capital Markets Department according to current market prices. You can be informed about Foreign Currency Exchange Rates at the e-banking's home page and at the Bank's branches.

Definition

- The European Economic Area (EEA) currently consists of the following countries: (a) EU Member States: Austria, Belgium, Bulgaria, France, Germany, Cyprus, Denmark, Greece, Estonia, Ireland, Spain, Italy, Croatia, Latvia, Lithuania, Luxembourg, Malta, Finland, The Netherlands, Hungary, Poland, Portugal, Romania, Slovenia, Slovakia, Sweden and Czech Republic and (b) SEPA member-countries: Great Britain, Norway, Iceland, Lichtenstein, Switzerland, Andorra, Vatican, Monaco and San Marino.

A. Credit Transfers

Trading Terms

- Outgoing credit transfers / remittances in Euro within EEA or other EEA currency, are executed with a value date on the next business day, when the applications are submitted within the following time limits (cut-off time) on business days:
 - until 16:00 (Greek time), for credit transfers within Greece and outside EEA,
 - until 3:00 (Greek time), for credit transfers outside Greece, but within EEA.
- Incoming credit transfers / remittances received or outgoing credit transfers / remittances applications submitted at different than the above time limits, are executed with a value date of two business days.
- Outgoing credit transfers / remittances in foreign currency (non-EEA currency), regardless of destination, are executed with a value date of two business days when the submission of the application is completed until 16:00 (Greek time) on a business day.
- Urgent orders are only supported in euros and US dollars. Outgoing credit transfers / remittances completed on the same business day as the date of submission of the request, are considered URGENT, with the relative charge, when the applications are submitted within the following time limits (cut-off time) on business days:
 - between 08:00 and 16:00 (Greek time), for credit transfers in Euro within Greece and outside EEA and in US dollars regardless of destination,
 - between 08:00 and 13:00 (Greek time), for credit transfers outside Greece, but within EEA.
- For outgoing credit transfers / remittances in Euro or other EEA currency to a foreign bank outside the EEA, as well as foreign currency in domestic and foreign banks with indication of BEN / SHA expenses, fees may be withheld from the Correspondent bank. Correspondent bank fee is withheld from the transferable amount.
- Required fields for credit transfers are:
 - the IBAN account beneficiary within EEA or the account number for countries outside EEA and
 - the full name of the beneficiary.
- Key trading currencies with the Bank: EUR, USD, GBP, CHF, CAD, RON, NOK, DKK, AUD, SEK, JPY.
- The Bank reserves the right to demand the provision of any other information concerning the nature of the payment or the beneficiary's details for statistical information purposes to the BoG or for the purpose of compliance with Law 4557/2018 on the PREVENTION OF AND COMBATING MONEY LAUNDERING AND TERRORIST FINANCING, respectively.
- Credit transfers / remittances originating from a "PAYMENT ACCOUNT WITH BASIC CHARACTERISTICS", pursuant to Law 4465/2017 and in application of article 18, incur a one-off charge of €5. Credit transfers / remittances to accounts such as the above do not vary from this price list.

Key terms

- **Charge types:**
 - **SHA:** the originator bears the originator's Bank charges and the beneficiary bears the paying bank charges.
 - **BEN:** All expenses are borne by the beneficiary (the option is available for countries and currencies outside of the EEA).
 - **OUR:** All expenses are borne by the originator.
- In cases where such expenses are known in advance to the Bank, they are brought to the attention of the client - originator before any credit transfer/remittance.
- In all other cases, the client accepts to pay any expenses requested retrospectively by the beneficiary's Bank and intermediary Banks.

- OUR interbank expenses do not apply to outgoing credit transfers/remittances for payments of other domestic Bank credit cards.
- **IBAN** (International Bank Account Number). The international bank account number has a fixed number of characters and a structure that follows a specific ISO standard for each country and includes numbers and / or capital letters of the Latin alphabet (Greek IBAN length 27 characters).
